

SPRING *Soiree*

SPRING 2027

For 60 years, Wildwood Foundation has been dedicated to empowering lives and building community. To celebrate this milestone anniversary, our biggest fundraiser of the year is getting a fresh new look. Welcome to the **Spring Soiree**, an elegant yet relaxed evening designed to support our vital mission without the formality of a traditional gala. Join us as a Corporate Sponsor and toast to another decade of supporting individuals with developmental disabilities and autism.
